SOLAREDGE LIMITED PRODUCT WARRANTY

Limited Product Warranty

Effective Date: April 15, 2026

This SolarEdge Technologies Ltd. limited warranty (the “Limited Warranty”) covers defects in workmanship and materials of the below-listed products (“Products”) for the applicable warranty period set out below (“Warranty Period”). See Products Covered and Warranty Period. [5]

The Limited Warranty shall only apply if all the following conditions are met:

- The Products were originally purchased from SolarEdge or an authorized seller of SolarEdge on or after the Effective Date, within the territory of Column A Covered Locations. See Covered Locations.
- The Products were installed within the territory of Column A Covered Locations or Column B Covered Locations. For the avoidance of doubt, Products purchased in Column A Covered Locations or any other location and subsequently installed or resold in locations other than Column A or B Covered Locations, will not be covered under this warranty.
- The Products were purchased for use within the continent where SolarEdge originally sold the Products, and in accordance with their intended purpose.
- The Limited Warranty may be transferred from the buyer to any assignee and will remain in effect for the remaining Warranty Period, provided that the Products are not moved outside their original country of installation.
- Products are continuously connected to the SolarEdge Monitoring platform after their installation.
- The Products must be used, installed reinstalled or handled in accordance with the installation procedures and guidelines accompanying the Products, including, without limitation, datasheets, installation manuals, safety instructions and storage and transportation guides, if applicable (collectively the “Documentation”) and in compliance with applicable laws and regulations in the country of installation.

Warranty Activation

If the buyer discovers any defect in workmanship and materials within the applicable Warranty Period and wants to activate the Limited Warranty, then the buyer must promptly after such discovery report the defect to SolarEdge by sending an email to support@solaredge.com. (<support@solaredge.com>) The email must include this information: (i) a short description of the defect, (ii) the Product’s serial number, and (iii) a scanned copy of the purchase receipt or warranty certificate of the applicable Product. Note that the Product’s serial number must be legible and properly attached to the Product in order to be eligible for coverage.

After receiving notification from the buyer, SolarEdge will determine whether or not the reported defect is eligible for coverage under the Limited Warranty. If SolarEdge determines that the reported defect is not eligible for coverage under the Limited Warranty, SolarEdge

will notify the buyer accordingly and will explain the reason why such coverage is not available. See Warranty Exclusions. [3]

If SolarEdge determines that the reported defect is eligible for coverage under the Limited Warranty, SolarEdge will notify the buyer accordingly, and SolarEdge may, at its sole discretion, take any of the following actions:

- Repair the Product at SolarEdge's facilities or on-site.; or
- Issue a credit note for use toward the purchase of a new Product or issue a refund for the defective Product in an amount up to the actual pro-rated value of the Product at the time the buyer notifies SolarEdge of the defect, as determined by SolarEdge, in accordance with the following formula: Credit/Refund = Current SolarEdge price of same or similar product or market price as determined by SolarEdge x (Warranty Period [in months] - Time elapsed from the warranty commencement date [in months]) / Warranty Period [in months]; SolarEdge may effect the refund in cash or by issuing a voucher or gift card; or
- Provide the buyer with replacement units for the Product. When replacement Products are sent, SolarEdge generally sends them within 48 hours. SolarEdge may use new, used or refurbished parts that are at least functionally equivalent to the original part when making warranty repairs. The repaired Product or replacement parts or Product, as applicable, will continue to be covered under the Limited Warranty for the remainder of the then-current Warranty Period for the Product.

In any of the above, SolarEdge will determine if the Product should be returned to SolarEdge and, if SolarEdge so determines, the Return Merchandise Authorization ("*RMA*") Procedure will be invoked. When the RMA Procedure is invoked by SolarEdge, SolarEdge will instruct the buyer how to package and ship the Product or part(s) to the designated location. SolarEdge will bear the cost of such shipment, upon receipt of the Product or part(s), SolarEdge will, at its expense and sole discretion, either repair or replace the Product or part(s).

Subject to any applicable export control and other laws and regulations, SolarEdge will deliver the repaired or replaced Product or part(s) to the buyer at the buyer's designated location in countries where SolarEdge has an office and/or there is a significant PV market. For the specific list of countries to which such service is provided, see shipping costs coverage.

SolarEdge will bear the cost of such shipment, including shipping and customs (where applicable), and the buyer will bear any applicable value added tax. SolarEdge may elect to ship replacement Product(s) and/or part(s) prior to receipt of the Product and/or part(s) to be returned to SolarEdge as per the above.

All costs, including, without limitation, labor, travel, and boarding costs of SolarEdge service personnel or others that are incurred for labor relating to repairs, uninstalling, and reinstalling of Products on-site, as well as costs related to the buyer's employees and contractors repair or replacement activities, are not covered by the Limited Warranty and, unless otherwise agreed in writing in advance by SolarEdge, will be borne by the buyer.

Warranty Exclusions

The Limited Warranty does not apply to components that are separate from the Products, ancillary equipment, and consumables, such as, for example, cables, cable holders, fuses, wires, and connectors, whether supplied by SolarEdge or others. Some components may carry their own manufacturer warranty. See the product datasheet for more details.

This Limited Warranty will not apply if (a) the buyer is in default under the General Terms and Conditions of sale or any other Agreement governing the purchase of the Product, or (b) the Product or any part thereof is:

- Damaged as a result of misuse, abuse, accident, negligence or failure to maintain the Product;
- Damaged as a result of modifications, alterations or attachments thereto which were not pre-authorized in writing by SolarEdge;
- Damaged due to the failure to observe the applicable safety regulations governing the proper use of the Product;
- Installed or operated not in strict conformance with the Documentation, including without limitation, not ensuring sufficient ventilation for the Product as described in the SolarEdge Documentation;
- Opened, modified or disassembled in any way without SolarEdge's prior written consent;
- Used in combination with equipment, items or materials not permitted by the Documentation or in violation of local codes and standards;
- Damaged by software, interfacing, parts, supplies or other products not supplied by SolarEdge;
- Damaged as a result of improper site preparation or maintenance or improper installation;
- Damaged or rendered non-functional as a result of power surges, lightning, fire, flood, pest damage, accident, action of third parties, direct exposure to sea water or other events beyond SolarEdge's reasonable control or not arising from normal operating conditions; or
- Damaged during or in connection with shipping or transport to or from the buyer where the buyer arranges such shipping or transport.

Additionally, the Limited Warranty does not apply to:

- The input connector for all power optimizers with a part number ending in C.
- Any EV charger cable that is damaged due to: physical abuse and damage, commercial use, rust, water damage, domestic wear and tear, use of car inlets which are incompatible with the Smart EV Charger connector;
- Cellular Wireless Communication plans which are governed under the SolarEdge Communication Plan Terms and Conditions available on the SolarEdge website;

© SolarEdge Technologies, Ltd 2026. All rights reserved.

- The SolarEdge Home Battery, SolarEdge Commercial Storage System (CSS) and SolarEdge PV Modules or Smart Panels. See dedicated warranty documents available on the SolarEdge website.
- Cosmetic or superficial defects, dents, marks or scratches, which do not influence the proper functioning of the Product.

THE LIMITED WARRANTIES SET OUT HEREIN ARE THE ONLY EXPRESS WARRANTIES MADE IN CONNECTION WITH THE PRODUCTS AND ARE IN LIEU OF ANY OTHER WARRANTIES WITH RESPECT TO THE PRODUCTS PURCHASED BY BUYER FROM SOLAREDGE, WHETHER EXPRESS OR IMPLIED, WRITTEN OR ORAL (INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE), ALL OF WHICH ARE EXPRESSLY EXCLUDED TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.

For Claims by the buyer that go beyond the warranty terms set out herein, including claims for compensation or damages, please contact the company that sold you the Product. Eventual claims in accordance with the law on product liability remain unaffected.

THIS WARRANTY IS PROVIDED IN ADDITION TO, AND DOES NOT EXCLUDE, RESTRICT, LIMIT OR OTHERWISE AFFECT ANY STATUTORY WARRANTY RIGHTS YOU MAY HAVE UNDER LOCAL LAW WITH REGARD TO DEFECT CLAIMS. IF APPLICABLE, THE STATUTORY RIGHTS CAN BE CLAIMED IRRESPECTIVE OF AND IN ADDITION TO CLAIMS BASED ON THIS WARRANTY. NOTHING IN THIS WARRANTY SHALL LIMIT OR EXCLUDE SOLAREDGE'S LIABILITY FOR GROSS NEGLIGENCE, WILFUL MISCONDUCT, OR FOR DEATH OR PERSONAL INJURY.

Coverage under the Limited Warranty is subject to the buyer complying with the foregoing notification requirements and cooperating with SolarEdge's directions. SolarEdge's sole obligation for any defect warranted hereunder is limited to those actions expressly stated above. Such actions are final and do not grant any further rights, in particular with respect to any claims for compensation.

Unless otherwise specified in an executed Agreement with SolarEdge, the Limited Warranty and related provisions set out herein are subject to SolarEdge's General Terms and Conditions, including, without limitation, the provisions thereof, which relate to disclaimer of warranties, limitation of liability and governing law and jurisdiction.

The Limited Product Warranty is valid only to the extent permitted by applicable export control laws and regulations.

Failure to Connect the SolarEdge Product to the SolarEdge Monitoring Platform

In order to provide this Limited Warranty for the Warranty Period, SolarEdge requires the ability to remotely monitor and update the Product through remote firmware updates. The buyer acknowledges that remote monitoring and updates may temporarily interrupt the operation of the Product. The buyer acknowledges that connection to the Monitoring Platform and providing updates may be critical for the functionality of the Product. By installing the Product and connecting it to the SolarEdge Monitoring Portal, the buyer consents to SolarEdge updating the Product from time to time, without prior notice. **If the Product is not connected to the SolarEdge Monitoring Platform (other than in cases of**

temporary disconnection or unavailability), and if security updates are not installed without undue delay, SolarEdge will not be able to honor this Limited Warranty.

Products Covered and Warranty Period

Power Optimizers

25 years commencing on the earlier of: (i) 4 months from the date the power optimizers are shipped from SolarEdge; and (ii) the installation of the power optimizers

Inverters

For SolarEdge Nexis Inverters, 10 years commencing on the earlier of: (i) 4 months from the date the products are shipped from SolarEdge; and (ii) the installation of the products.

Notwithstanding the foregoing:

(1) The warranty period for the TerraMax family shall be limited to 5 years.

(2) The warranty period for other SolarEdge inverters shall be limited to 12 years.

Home Backup Interface

10 years commencing on the earlier of: (i) 4 months from the date the products are shipped from SolarEdge; and (ii) the installation of the products.

Notwithstanding the foregoing:

(1) The warranty period for Home BackUp Interface, manufactured before 1.1.2026 shall be 12 years.

StorEdge Interface

10 years commencing on the earlier of: (i) 4 months from the date the Interfaces are shipped from SolarEdge; and (ii) the installation of the Interfaces.

Commercial Gateway, Firefighter Gateway, Home Hot Water Controller, Home Load Controller, Home Smart Switch, Cellular Communication Products, RS485 Plug-in, Energy Meter, Home Inline Meter, SolarEdge EV Charger (North America region only), Wireless Gateway, Wi-Fi Antenna, Home Network Plug-In

5 years commencing on the earlier of: (i) 4 months from the date the product is shipped from SolarEdge; and (ii) the installation of the product. Warranty duration of Cellular Communication Products is the same whether or not the product is pre-installed in the inverter.

SolarEdge EV Charger (Europe), SolarEdge ONE EV Charger

3 years commencing on the earlier of: (i) 6 months from the date the product is shipped from SolarEdge; and (ii) the installation of the product.
